

BOLDLY

HAVE A CONVERSATION WITH YOUR BOSS ABOUT BOLDLY

Reasons to attend the Boldly Conference:

- 1** The Boldly Conference is designed specifically to support the professional development needs of working women whose faith is an important part of who they are.
- 2** Speakers include successful business leaders, executives, entrepreneurs, leadership coaches, and thought leaders.
- 3** Attendees can expect to learn from the speakers' personal leadership stories and walk away with practical tools and strategies they can immediately apply at work.
- 4** This year's conference theme is Boldly Unified. In this time of division, let us come together and be unified as sister's and co-workers in Christ
- 5** Topics include developing resilience, healthy ways for navigating stress, flourishing at work, developing male allyship, and tapping into wisdom at work.
- 6** This is a day of professional development with a faith-forward perspective that encourages and equips the women on your team to bring their whole selves to work so they can give their very best.
