How Did God Really Design ME?

STAGE 5
Influence
Where is God Now Sending ME?

The Purpose Map™ is beautifully explored by Marshawn Evans Daniels in her book #BelieveBigger - an inspirational guide for when life doesn’t go as planned.

We hope that you’ll teach others how to draw it and reference each stage of the purpose journey as a teaching tool for conversation, ministry and self-discovery. Use it to tell YOUR story and to help others unlock theirs. It’s time.
